

Scooterland Mobility

Scooterland Mobility was incorporated circa 2001 and is an individually owned business specialising in the supply of mobility equipment eg Mobility Scooter, Wheelchairs, Power Chair , Daily Living Aids, and offers sales, service and repair, and hire to the Gold Coast and Hinterland region.

At Scooterland Mobility, we work closely with our clients to establish their needs and offer solutions that suits budgets anywhere from a small low cost mobility scooter for short distances that are easy maneuverability around the local shops, through to medium size or larger scooters built to suit varied terrain conditions and longer travelling distances.

Our aim is to help give you back your mobility, thus independence and freedom, utilising the latest in mobility scooter technology, we focus on assisting our clients to re-gain their Independent living capability and self-respect and with an emphasis on continued service and support.

Who do we work with:

- Everyday people who want the freedom of Independent living
- Professional therapist to select and provide a good fit for your mobility solution
- Support organisations including support service agencies, aged care facilities
- Shopping centres, theme parks and the tourist industry, to provide mobility solution to visitors, shoppers and holiday makers
- Government programs such as M.A.S.S., CAEATI and DVA that provide subsidised equipment and support services.

We are committed to provide quality service and products to you.
