Scooterland Mobility

Scooterland Mobility was incorporated circa 2001 and is an individually owned business specialising in the supply of mobility equipment such as Mobility Scooter, Wheelchairs, Daily Living Aids, and offers sales, service and repair, and hire to Logan through to the Gold Coast and Hinterland.

At Scooterland, we work closely with our clients to establish their needs and offer a solution that suits any budgets and purposes.

Who do we work with..

- People who want the freedom of Independent living
- Support organisations including support service agencies, aged care facilities
- Shopping centres, theme parks and the tourist industry, to provide mobility solution to visitors, shoppers and holiday makers
- Government programs such as N.D.I.S, M.A.S.S., CAEATI and DVA that provide subsidised equipment and support services

Looking for something else that is not on our catalogue, email us at sales@scooterland.net.au, we can source it for you.

JAY Basic Back

The Jay Basic Back has been redesigned to easily adapt to standard wheelchairs. Choose strap-style hardware for easy attachment - just strap around wheelchair back canes. The clamp-style hardware provides 0° and 8° of angle adjustability and snaps easily into place.

- Designed for clients with mild postural needs
- Provides mild posterior pelvic-stabilization and thoracic support
- Three height options provide a more personalized fit
- Lightweight for improved propelling efficiency and easy transport
- Lightweight, contoured, aluminium shell and soft foam insert

JAY Basic Cushion

The Jay Basic provides a soft and durable support for clients with mild postural needs who are at low risk for skin breakdown. Available for 14"-24" chair
