# Nitro Rollator

## Physio Favourite

*A lightweight, aluminium, four wheel rollator that folds in two directions, similar to a child's pusher. Features include push button height adjustment on handles, loop brakes with internally routed brake cables, seat canvas with pull up strap, removable shopping bag, lockable front castors and reflectors.*

- Ergonomically design—Physio favourite , encourages better posture & reduction in fatigue
- Folds into very compact size
- Lightweight aluminium frame & cross brace
- Soft Flexible back seats for security and comfort
- 8" wheel in the rear and 10" diameter wheels for both indoor and outdoor use
- Removable Zippered Storage Bag
- Weight capacity :135 kg
